

DISASTER RECOVERY ASSISTANCE

Navigating the National and Local requirements of disaster related funding can be intimidating. Having the assistance from someone who understands the requirements and processes would be of great value. Veenstra & Kimm has experts in this area and we are here to help. If you are wanting to pursue disaster related funding or need assistance in the administration of the funding, give us a call at 800-241-8000.

DISASTER ASSISTANCE

Leon Freeman worked for Iowa Homeland Security and Emergency Management for well over 10 years. He has experience assisting clients responding to disasters and guiding them through the process of documenting damages. Leon is also familiar with federal and state procurement requirements. His experience includes administering the federal and state funding awarded to cities and counties impacted by disasters. Leon has assisted in the administration, funding and rehabilitation of damaged:

- Roads
- Bridges
- Water facilities
- Wastewater Facilities
- Stormwater Facilities
- Buildings
- Utilities
- Parks
- Recreation Facilities
- Debris Removal

VEENSTRA & KIMM, INC.

Veenstra & Kimm, Inc. was founded in 1961 as a partnership of Bob Veenstra and Jim Kimm for the practice of consulting engineering. Veenstra & Kimm, Inc. was founded primarily to provide municipal engineering services to communities throughout the Midwest.

Since its founding Veenstra & Kimm, Inc. has grown to our current size of 10 offices serving a variety of municipal, county, other governmental and private clients across 7 states in the upper Midwest. Services provided by Veenstra & Kimm, Inc. include a full range of services, primarily focused on serving the needs of cities and counties.
